Administrators’ Message

Dear Parents;

It has been a very busy last few weeks at Caswell as we have celebrated all the great learning and wonderful activities that have taken place over the course of the year. At this time of year, I always like to reflect. This year we have seen tremendous growth in all our students in reading, math and other subjects. We have had students achieve great success in curricular and extra-curricular activities. We have seen our older students mature into stellar young women and men. It has been a successful year!

The end of the school year is always a sad time as we say good bye to staff and students who are moving on to other things:

- Ms Strueby. We will miss her energy, her enthusiasm for learning, and her love of students!
- Ms Hopkins. We will miss her lovely smile and her enthusiasm for literacy.
- Mr. Vavala. We are glad that he joined the Grade 5 SAGE class and will miss his passion for soccer.
- Ms Sirman. We will miss her tremendous energy and her ability to solve all problems – big or small!
- Our Grade 8 students. We wish them all the best as they move on to high school. Always remember that you represent the very best that Caswell School has to offer and remember to do us proud!

We would also like to thank all our parents and community members who have supported us over this last year. We could not offer all the great things we do without your help. Your work is very much appreciated by students and staff!

Have a wonderful summer. Remember to read a couple of good books. Come back in the fall ready to share your adventures as we begin another year of great learning!

Sincerely,

Susan Pattison, Principal

Ms. Susan Pattison, Principal
Ms. Shanna Strueby, VP
